

cub pro plan chart no 18

TINY BOW & ARROW

a sharp knife

a popsicle stick

a q-tip

some dental floss

cut four small notches in the popsicle stick

then soak the
popsicle stick in water
for an hour or more

tie the floss around one end of the popsicle stick
wrap it a few times
gently bend the popsicle stick

wrap and tie it on the other end
making sure the floss is taut and on the
same side of the popsicle stick on both ends

cut one end off of the q-tip

nail clippers work well
you might want to make a few

be prepared
